**P-Wave® Eco
Air Freshener**

A sustainable, spill-free fragrance solution that delivers powerful, long-lasting freshness with minimal impact on the planet.

Who says passive can't be powerful? Meet Eco Air – the compact, eco-friendly fragrance solution with serious impact!

No noisy aerosols, no spills – just pure, dry fragrance that fills your space effortlessly. Eco Air's recyclable design works solo or fits neatly inside our Eco Air cabinets, lasting 30 days with a 16m² range.

Place near doors or breezy spots to maximise coverage, and if you're using another dispenser brand, our refills are compatible with many other units (contact us for more info), we believe in sustainability – simply recycle each Eco Air refill after its 30-day fragrance journey.

Eco Air: where passive meets powerful, and the planet comes first!
