

* Catering Descaler Concentrated

Jangro *

DANGER

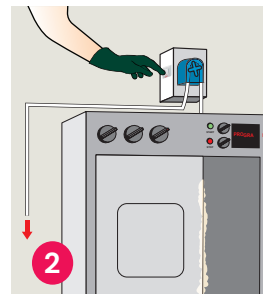

BB025-5

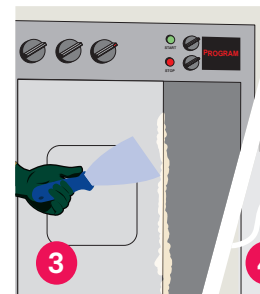

Automatic dish and glass washers:

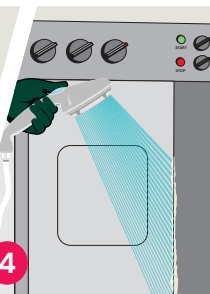

Place safety Sign & use the appropriate PPE as indicated in the Safety Data Sheet.

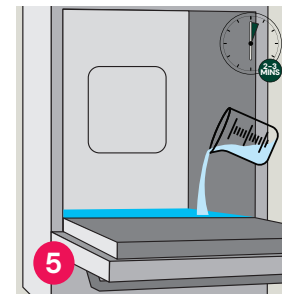

Switch off dosing dispenser and empty the machine.

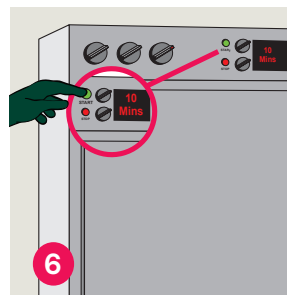

Remove the loose limescale with scraper.

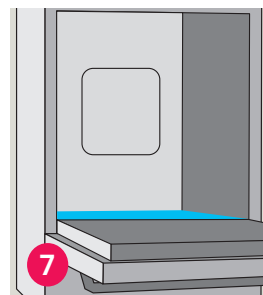

Rinse the inside of the machine.

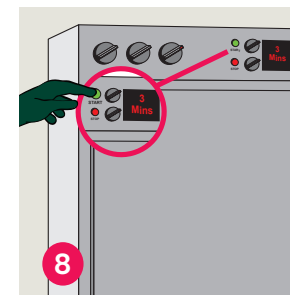

Fill the machine with clean water. Pour undiluted Catering Descaler into the machine at a ratio of 5% (i.e. 1 litre per 20 litres capacity 1:20) and leave for 2-3 mins.

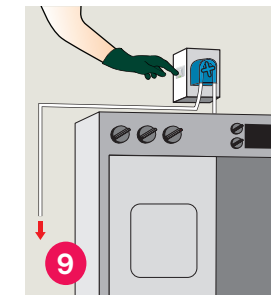

Switch on the machine and circulate the solution for between 5-10 mins.

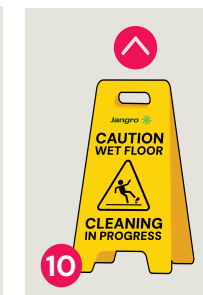

Drain the solution and refill with fresh water.

Switch on the machine and circulate for a further 3 mins and drain.

Switch dosing dispenser back on.

Remove Safety Signs.
