

C502

PROTREAT

LABEL INSTRUCTIONS

Product Description & Directions for Use:

A balanced neutral floor maintainer and spray cleaner, formulated to clean, maintain and enhance the shine of emulsion polished, sealed floors and stone floors. Protreat contains a blend of detergents and polyethylene slip resistant wax and can be used on vinyl, linoleum, thermo-plastic, rubber, sealed wood and cork, terrazzo, marble and other non-porous smooth floorings.

For professional and industrial use only.

Always test floor to ensure that it is not harmed by water before proceeding.

Sweep floor to remove loose soil, then dust mop floor to remove fine dust.
Mix 25ml Protreat per litre of warm water depending upon level of soiling (1 to 40).
Apply solution to floor by mop or sparingly by fine mist trigger sprayer. If spray buffing, follow up with rotary machine fitted with spray buffing pad.
When floor has dried, buff to a shine with dry buffing or polishing pad.

- Neutral pH floor maintainer
- Suitable for vinyl, linoleum, thermoplastic, rubber, sealed wood & cork, terrazzo, marble, & most sealed floors.
- Contains detergent and polyethylene wax-based floor maintainer for damp mopping and spray buffing.
- Can be buffed to a rich slip resistant shine on sealed floors.
- Pink emulsion with floral fragrance.

pH Concentrate: 8.0

pH Diluted: 8.0
